ANNOUNCEMENT

BASIC INCIDENT COMMAND-200 - Course #01-11-0024

The complexity of incident management, coupled with the growing need for multi-agency and multifunctional involvement on incidents, has increased the need for a single standard incident management system that can be used by all emergency response disciplines. The Basic ICS course is part of the National Training Curriculum. The National Interagency Incident Management-Incident Command System has been established as the standard command and control system during emergency operations. This course is designed for all emergency response personnel.
