ANNOUNCEMENT

THE CHALLENGE OF PESTICIDES & POISONS - Course #01-09-0055

This course develops skills necessary to safely stabilize a hazardous materials incident involving pesticides and poisons including procedures to correctly identify materials, determine their toxicology and develop strategies to manage the incident. Information on storage and distribution requirements of the Fire Code of New York State for pesticides and poisonous materials is also included. Case studies examine the dangers of these materials and the lessons to be learned from actual incidents.

WHEN:

Class #1 begins on Monday, September 27, 2010

MONDAY 6:30-10:30	TUESDAY 6:30-10:30
September 27	September 28
October 4	

**Course schedules are subject to change based on NYS funding and class enrollment.*

WHERE:

Genesee County Fire Training Center
7690 State Street Rd.
Batavia, NY 14020

INSTRUCTOR:

Tom Szczepaniak

COURSE LENGTH:
