ANNOUNCEMENT

FIRE OFFICER I Course #01-11-0013

This course is a combination of Introduction to Fire Officer and Fire Officer I. It addresses command and management in today's fire service and is designed to meet the officer training requirements of NFPA 1021. The goal is to give new and prospective officers the skills necessary to effectively manage and lead their companies and departments in the challenges of the rapidly changing fire service. Topics include assuming the role of company officer, leadership, supervision and management, fire department communication, size-up, information management, accident/injury investigation, pre-planning and strategy /tactics for multiple company operations.

WHEN: Class #1 begins on *Monday, April 2, 2012*

NOTE: Students who possess an Introduction to Fire Officer Certificate will start this program at Class 11 on *May 22, 2012*
