

Mercy Flight WNY is an independent, not-for-profit provider of emergency air medical transport & supporting services, ensuring rapid, safe and cost effective delivery of expert emergency response teams.

Established in 1981, Mercy Flight WNY has flown more than 18,000 patient missions over the last 28+ years.

We serve 10 counties of Western New York and NW Pennsylvania, 24 hours a day, 7 days a week out of bases in Buffalo, Batavia and Olean.

The financial support we receive from events like this golf tournament help us to close the gap between costs and reimbursement.

We couldn't be Western New York's "Beacon of Hope...when minutes matter" without generous community support.
