

OPERATION WOUNDED WARRIOR -2011

The Chili Fire Department is once again sponsoring a collection drive to assist wounded U.S Troops and their families with various items listed below as they are recovering from their injuries. The drive runs now through Veterans Day Friday 11/11/11.

Last year Monroe County Fire Departments provided an outpouring of support, and we are asking that you once again consider supporting this effort.

Winter clothes are one of the most important items, due to the fact that a lot of the family members who are making the trip to the hospital are from the Southern States and are not accustomed to the harsh winters up in the North.

Jim Lechner, long time member of the Chili FD, Former Marine, and father of a wounded warrior, will again be delivering these care packages to the Walter Read Medical Center.

- F.D. T-shirts, sweatshirts/pants, knit hats and jackets.
- Fleece jackets and hooded sweat shirts
- Adult and child's jackets, hats, gloves and scarves.
- Toiletries for Men & Woman.

**** Clothes should be new. ****

****Jackets can be next to new in condition****

In lieu of cash donations, gift cards to major retail stores Target, Wal-Mart, etc. are gladly accepted...

Donations may be dropped off at Chili Fire Department 3231 Chili Ave. Or contact the Dispatch Office 889-3760 to arrange pickup of items
