

NEW YORK STATE EMERGENCY MEDICAL SERVICES COUNCIL
NEW YORK STATE DEPARTMENT OF HEALTH, BUREAU OF EMERGENCY MEDICAL SERVICES

Quality Improvement for Prehospital Providers

*Workbook and Guidance Document for Service Level
and Regional Level Quality Improvement Activities*

Since 1997, all EMS agencies in NYS have been required to participate in a QI program that fulfills the requirements under NYS PHL Article 30 Section 3006.

Are you in compliance?

**On April 16th at 7pm
at the Alabama Fire Department Recreational Hall**

Lee Burns, BS, EMT-P

Associate Director for Operations & Information Management
Bureau of Emergency Medical Services New York State Department of Health

will present the NYS DOH QI program and be available answer
any questions that you may have about the program.
